

UCCS Course Buy Out Approval Form

TO: UCCS Tenure/Tenure Track Faculty

FROM: Associate Vice Chancellor for Research

SUBJECT: Course Buy Out Approval Form for Internal Research Funding

The Office of Research is committed to supporting faculty who need additional dedicated time for research. When a tenure/tenure track faculty member is requesting internal funding that includes funding for a course buy-out (e.g., CRCW grant, Research ADVANCEment grant, etc.) it is essential that applicants gain approval from key stakeholders in support of the application. With rare exception, internally funded course-buy outs will only be approved at the campus rate (\$5,500 plus benefits) following the 2019 [Provost Guidelines](#).
